

HAGAR

Dear Josh & Jay,

Thank you so much for your generous donation to our work with some of the most traumatized individuals on our planet. Your contribution has helped provide for the needs of these resilient survivors. Trauma counseling, legal support, protection, education, food, clothing & shelter and career pathway training are some of the many essentials your contribution has enabled us to provide.

I really appreciate the fact that you made the choice to give to Hagar and want you to know that your giving can change the future for someone in their greatest hour of need.

If I can help you with any further information or if you wish to help us further with our mission please let me know.

Yours sincerely
