Dear Joshua and Jay

It's a great privilege to thank you on behalf of all of us here at Homes of Hope, especially the children. We are very grateful for your generous donation of \$20,000.00 received.

We have cared for over 190 precious children so far and our homes have been operating to full capacity all year. The children are thriving and are such a delight and blessing to have with us, though challenging at times! Each one is so unique with a unique story. The circumstances they have come from are heartbreaking and shocking. Seeing their healing and transformation brings us encouragement, joy and the hope that they will see, hear, taste and see that they certainly do have a hope and a future! As we see them begin to heal, to restore, to gain trust in others and confidence themselves, it is to see their potential begin to unfold. Your support enables this.

Please find your donation receipt number 142 and know the considerable difference your giving is making to help us help these, and more, children. Please accept our heartfelt thanks again.

We'd love to send you our regular quarterly updates. Please email us on office@homesofhope.org.nz or give us a call on (07) 578-9826 if you'd rather not receive these.

With warm regards
