Kia Ora Mr Mossop,

Thank you so much for your generous support of our work.

Your sponsorship of Diane over the past year has made a real difference. You truly are helping to provide tangible solutions to combat poverty.

The NZ government recognises your contributions over the year in the form of a 33.3% tax credit. **You'll find your 2016-17 World Vision tax certificate attached below.** To lodge your claim, just go to ird.govt.nz and download the IR526 tax credit form.

Our promise to you.

Traditionally charities have defined their donor promise in terms of the amount of money that leaves New Zealand. In 2016 World Vision sent on average 80.8 cents from every dollar to the field. A good result, but only a partial measure of the true effectiveness. The remaining 19.2 cents enabled us to advocate for greater change and to multiply your donations, turning your dollar into far more in the field.

Our true donor promise is far more ambitious. It is the same promise we make to the children and families we serve; to see lives changed measurably, to ensure that we use all resources effectively for their intended purpose, and to bring supporters and communities closer together.

If you have any questions about this, please call us on 0800 800 776 or email our team at email@worldvision.org.nz.

Thank you so much once again for the contribution you've made over the last year.

Nga mihi nui,

Chris Clarke
Chief Executive Officer
